## These publishers are interested in making international contacts

Children's and young adult titles account for the highest proportion of German licensing deals. Frankfurter Buchmesse highlights this part of the book industry with a selection of books that have international potential. In 2024/2025, eleven publishers are contributing their most compelling titles to the collection "Children's Books on Tour".

"Children's Books on Tour" will travel with the German Collective Stands to the following fairs: Bologna, London, Prague (Guest of Honour), Brussels, Abu Dhabi, Warsaw, Turin (Guest of Honour), Beijing, Guadalajara, Jakarta and Taipei.

These titles will also be displayed and promoted throughout the year at the Frankfurter Buchmesse Book Information Centre in Beijing, at the book fairs in Sarajevo and Seoul, and during the Frankfurt Invitation Programme.

Each publisher's online presence features information about its full range of titles. You'll find all the contact information you need in this flyer.
